

The 2022 International Thespian Excellence Awards *indeed an unprecedented year*

The International Thespian Excellence Awards recognize the highest level of achievement in school theatre performance, technical theatre, writing, and filmmaking.

I am proud to share that Bishop Gorman High School Troupe 4347 was the single recipient of the International Thespian Excellence Award for Group Musical Theatre. Our rendition of COMPANY received a perfect score and performed as the Opening Number in the Thespy Awards Final Showcase for 3000 attendees.

Additionally, Nicole Wills was one of three students that received the International Excellence Award for Stage Management. Nicole received a perfect score in Stage Management and was honored at the final showcase.

The host for the event, Michael James Scott, who is currently starring on Broadway as the Genie in ALADDIN quotes: "The Thespys are a dream. To see the beautiful performances and presentations, and students opening their hearts and being themselves, is so inspiring. It is obvious the participants are living in their light. I'm truly moved by that."

In addition to Group Musical Theatre and Stage Management, Bishop Gorman High School Troupe 4347 received the highest rank of Superior in Solo Musical Theatre, Duet Musical Theatre, Contrasting Monologues and Technical Theatre: Costume Design

Recipients listed by competition category.
