THE SECRET GARDEN

DIRECTOR'S THOUGHTS

What is the key to the garden?

Healing. Growth. Nature. Hope. Forgiveness. Friendship. Rebirth. Transformation. Faith. The Power of Thoughts and Dreams.

This enchanting classic of children's literature is reimagined in brilliant musical style by composer Lucy Simon and Marsha Norman, the Pulitzer Prize-winning playwright of 'Night Mother.

May the power of this story strengthen your faith and inspire you to open your mind and heart to the beauty that abounds.

“Mary, the strongest roses will fair thrive on bein' neglected, if the soil is rich enough. They'll run all wild, and spread and spread til they're a wonder.”
“When a thing is wick, it has a will to grow and grow”

Trust in your inner wick. Be that rose. Keep your soil rich. Spread love and forgiveness. Be a wonder.

We at Gaels Theatre Guild are honored to bring this compelling tale of forgiveness and renewal to the community of Bishop Gorman.

Wishing you and your families a blessed holiday season.

ACT I

SCENES FROM SPOON RIVER ANTHOLOGY

By Edgar Lee Masters

In the groundbreaking work Spoon River Anthology, Edgar Lee Masters gives voice to more than two hundred deceased citizens of Spoon River who are laid to rest in Oak Hill Cemetery, known to the locals as The Hill. Freed by the shackles of life, the un-living who “sleep beneath these weeds” confess their deepest secrets, disappointments, frustrations, joys, and warnings to the living in the form of brutally honest free verse poems. We, the Gaels Conservatory Theatre, present the poems from this poignant piece of literature with a surprising contemporary spin.

SCENES FROM ALMOST MAINE

By John Cariani

From the Author:

Welcome to Almost, Maine, a town that's so far north, it's almost not in the United States—it's almost in Canada.

And it almost doesn't exist. Because its residents never got around to getting organized. So it's just...Almost.

At 9 PM, one cold, clear Friday night in the middle of winter, while the northern lights hover in the sky above, Almost's residents find themselves falling in and out of love in the strangest ways. Knees are bruised. Hearts are broken. Love is lost, found, and confounded. And life for the people of Almost, Maine will never be the same.

ALMOST MAINE: It's love. But not quite.
