Class of 2020

To the Gaels Theatre Guild Class of 2020 ...

Some final thoughts as you look towards your high school graduation:

Look closely at the present you are constructing. It should look like the future you are dreaming.

*Some people want it to happen, some wish it would happen, others make it happen.
(Michael Jordan)*

What you think, you become. What you feel, you attract. What you imagine, you create.

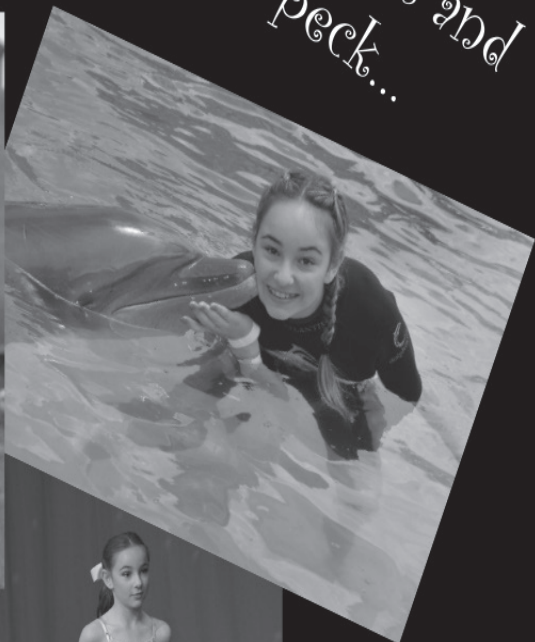

You began as Gaels Theatre Guild students who were really good at heart. Understand that there's no place like home as you climb every mountain 'til you find your dream ... and despite it all, know that, I love you, a bushel and a peck, you bet your pretty neck I do!
